

11.PointsDateabus.com

- 1.Check customor email by booking and name appear? Then create rejecting system.
- 2.Add webanalyse on both sites and tell me how to check visits pr.dat.
- 3.Make a login in the buttom for admin login. In this login i should see the analyse and choose between the 3 categorys and change price, avabile, and soldt out.
- 4.If the button sold out or avible show that by the packages for customor view. Make these cahngeable for the admin to configuate.If the package is not avabile then write “Der er desværre fyldt helt op på denne kærlighedsrejse, men prøv da igen senere. Hilsen Dateabus.com”
- 5.If the package is avabile and the customor order then send a ordre cormfimstion to that person.
- 6.Make agreements minimum 25 people.
- 7.Put the right names in fields. Example nor druesort in pizza.
- 8.Fix favicon issue.
- 9.Fix frontpage top with flags. Make about 1. CM space from the top to that menu.
